

Your Story

WE CAN TRUST GOD TO USE OUR CURRENT CONFLICT TO DEVELOP THE BIGGER STORY HE IS WRITING FOR OUR LIVES.

Look at the following elements of your story, write them down and begin to watch what God is doing!

Describe the **setting** in which your life is being lived--time, place

Understand your identity as a **character** in God's story--who are you *becoming*?

Review the **plot**--what god has done in your life so far?

Name the **conflict**--what is about covid (or other conflict) that created a plot twist you weren't expecting?

What is one **theme** you know God is developing in your life? How might this conflict be a part of it? (Salvation, hope, grace, joy, faith, etc)
