

## Week 3 | Moses

### Builds on: Weekend Teaching 3: Moses

- Do you primarily see God as Father or King? Why?
- Looking at the Covenant triangle, how do you currently see God—as a Father who demands obedience or a Father who gives identity?
- Looking at the Kingdom triangle, how do you currently see God—as a King who abuses power or a King who gives authority?
- Of Covenant and Kingdom, which is most difficult for you to live into currently? Why?
- What are the barriers to believing that your life can have the impact of a Moses?
  - Is there a desert you currently need to embrace?
  - Is there a calling you need to respond to?
- Where do you see obedience without identity in the life of the church you belong to? In your own life?
- What has been your experience with exercising God’s authority and power? What does that look like practically?
- Where do you need to focus on embracing—God as Father or God as King?
- What gets the majority of your focus in your life and faith?  
Covenant—relationship, or Kingdom—responsibility?
